Foreword

Moved by the same spirit which led the first Indian tribe, the Tomokans, into Florida, Rollins has, from the moment of its inception, pioneered—first college in Florida, beset by all the perils of a new college in a new land—keeping personnel above material development—unafraid to find and follow new educational paths—Such a spirit has made the Rollins of today.

In this, the sixteenth edition of the TOMOKAN, we have attempted to portray this spirit through the lives of those living on our campus, especially those who are soon to leave their Alma Mater.

The Knowles Memorial Chapel

Two good daughters in order to honor their parents' memories and to serve this and future generations, have given a chapel to Rollins College, which, when completed, will be one of the most noble and beautiful ecclesiastical edifices in America.

As Rollins has ventured to stand—and I believe with much success—for the humanizing of education, so I hope this new church will venture to stand—and with similar success—for the vitalizing of religion.

Students who are at the age where they tingle with health and the love of living often think that physical activity and emotional sensations are the source of life's greatest satisfactions and happiness. Professors who are older, and sometimes wiser, often hold the cultivation of the mind is the *summum bonum* of life.

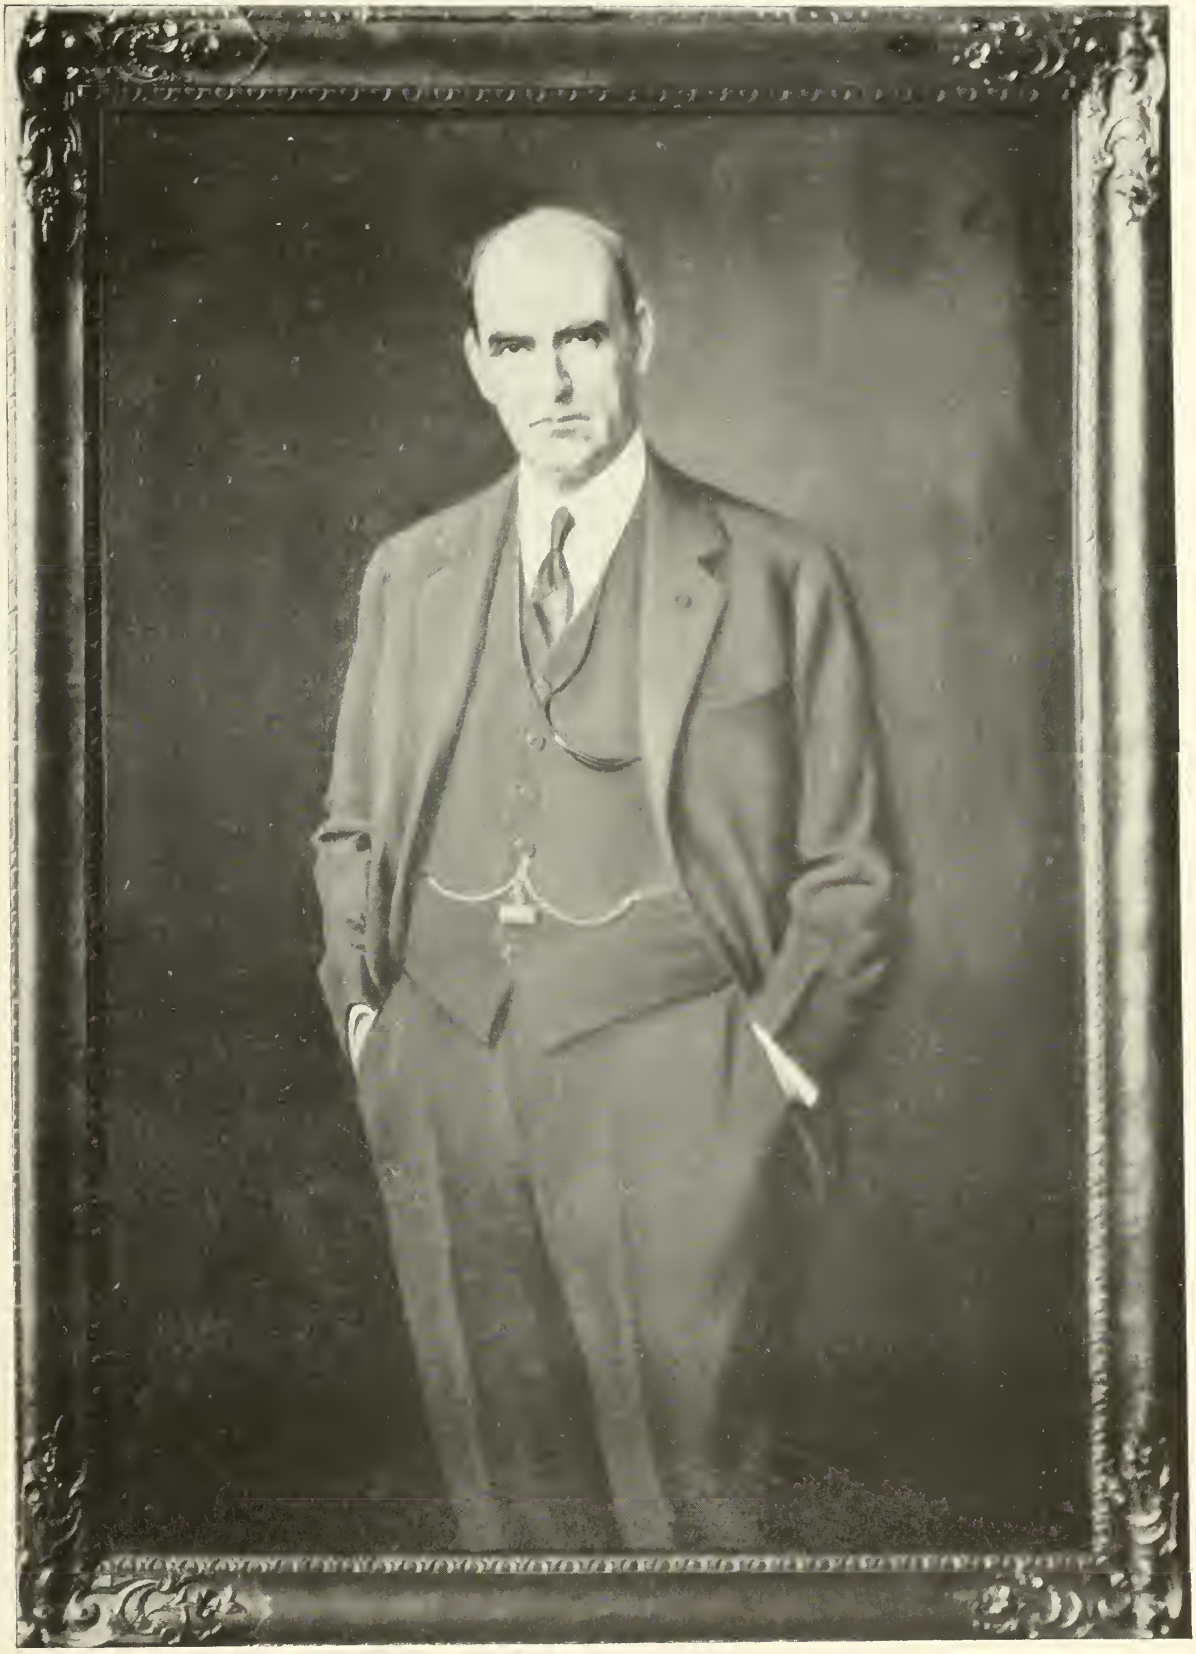
But the more I live, the clearer it is to me that the development of character is much more important than the cultivation of a sound mind in a sound body, vital as such cultivation is. The psychologists and physiologists tell us that we cannot change the inherent texture of our minds and bodies as we go through life. But will anyone set a limit to the growth of character?

If this be true, then the Knowles Memorial Chapel should be much more than a beautiful religious symbol. It should be a living opportunity, ever stimulating us to develop our characters for the perfection of ourselves and for the service of God and our fellow men.

What an inspiration for every son and daughter of Rollins! Here we have no religious denomination, no Pope, House of Bishops, or General Assembly, no State Legislature, no reactionary or radical donor, or dead hand of endowed wealth, to swerve us from any goal we would seek. The only things we have to fear are our own limitations. We can, if we will, make of our Chapel, not only a memorial to the dead, an inspiration and blessing to the living, but an ever living source of character development for ourselves and for the Rollins generations yet to come.

Hamilton Holt

President of Rollins College.



Dean of Men

To the Class of 1931 I offer my sincere congratulations and cordial good wishes for the future. For four years you have been privileged to share in the progress of Rollins College. However, I hope you will not consider your task finished, but, on the contrary, will continue to work for the increased prestige and honor of your alma mater. In fact, your real chance to assist in the growth of Rollins is now before you, for a college achieves its reputation through the success of its graduates.

One of the duties of the Dean is to be of service to students. It has been a pleasure to help you during your undergraduate days. Your co-operation and loyalty to Rollins has been a great satisfaction to me. Together we must continue to aid Doctor Holt in his dream for Rollins. Let us make the most of our opportunities.

After spending five years improving the methods of instruction, the College is about to make some far-reaching changes in the curriculum. More than ever does the future of Rollins depend upon your support. Long may you continue to add to her glory.

Winslow S. Anderson

Dean of Women

There is no need to tell you we shall miss you, but it is pleasant to take this last opportunity to greet the Class of 1931 and to wish you well and to hope that the next four years will bring achievement and development as satisfying and as big as that of the years at Rollins. Your presence, cooperation, and contributions will be missed on the campus, but we hope your interest in us will be sustained and will lead you frequently to us in the future.

SENIORS

Class of '31

The class of '31 caused the greatest panic that has ever occurred in the history of Rollins. Prexy took one look, and almost decided to go back to the old system of teaching; the Deans came to the decision that the next four years would be quiet and peaceful, as far as we were concerned—because we looked too meek and mild to ever cause much excitement; and, the Rat Committee fairly gloated over the greenest bunch of green-horns that ever came up for murder. Needless to say, Prexy has become reconciled to us, the Deans have found out that it doesn't take a great amount of brains to cause a riot, and the Rat Committee finally decided that if we excelled in nothing else, we could peel like onions and wrestle temptation with great dexterity.

Our Freshman year marked the first Co-ed Ball, the organization of W. A. A. and Rho Kappa Sigma, the installation of Gamma Phi Beta and Kappa Alpha, and Big Ben Pound, the "Alarm of the Heavyweight's" rise to fame. Ronald Stillman held the rather precarious position of president of our class. It may be noted that Lib Morton's high heels, the Freshman Dance at the Woman's Club, and Templeton's swimming party caused the most excitement around here in years.

Bill Reid has had the honor of calling meetings the other three years of our stay here. Our Sophomore year is chiefly remembered because of Mrs. Holme's Deanship, Jinx Hughes' wreck, Lib and Chet's marriage, the Water Meet Dance, the founding of Four O's and the fact that no one went national. We lost about half of the original members of our class, and upon the arrival of new recruits, things began to take on a more hopeful aspect. We gave the usual Sophomore dance. It probably was a great success.

To start our Junior year off with a bang, Pi Beta Phi and Phi Mu were installed, and the old game of cut-throat began in earnest. The Junior-Senior Prom was given at Aloma, and Bill Reid decided thereupon to become a bill collector when he graduated. High lights of the year included the marriage of Nancy Dickenson and Bob Shrewsbury, the advent of Coach McDowell and hopes for a football team at last, and Rollins Hall, the first building in the new plan and the gift of Papa Rollins.

Our Senior year was enlivened by the arrival of Chi Omega, Kappa Kappa Gamma, sidewalks, Mayflower and Pugsley Halls, the Beanery canopy and Professor Rice on campus. Dot Hartridge followed Lib's and Nancy's examples, and got married. We have been occupied most of the time trying to get all of our past dues paid, and at odd moments, to graduate. The former, we have given up as hopeless, and the latter—we leave it to Mrs. Cass and the Student Standing Committee to find sufficient reason to get rid of us.

During our four years here we have held the usual number of offices and have received our share of honors. It might be of interest to add that Al Rashid has made himself invaluable as a speaker and ground-breaker upon any occasion whatsoever, and no questions asked.

We, the Class of '31, leave Rollins with best wishes for its future, memories of the best four years in our lives, and solemn promises that all of our children and grandchildren shall at some time come to Rollins, where we hope that they may find the same friendship and happiness that we have.

KACE

Hello, Frosh,
Don't be blue,
Rollins gives
A hand to you,

We're so glad
To see you here,
Hope you have
A happy year.

Ratting is
A lotta fun,
Here you see
How it's done,

Hit 'em high,
Hit 'em low,
Yeah Sophs,
Let's go!

Yeah Soc(k),
Yeah Coke,
And another
Paddle broke.

Football? Best in
Several seasons,
Look nearby and
Find the reason,

Measure the grins
On the husky stars,
Try to spot a fly
On those Baby Tars!

Readin',
Writin',
'Rithmetic,
Psychology
And Arabic,
Betty Co-ed
'll get her man
With what
She learned
Thru the
Conference
Plan.

Sun tan,
An' swimmin'
Suit, an'
Lake callin'
Me,

"Come an'
swim,
Hang yo' dress
On th' limb
Of th' cypress
Tree."

"Oh gosh,
Lemme see,
Is there a
Bid for
me?"

"Sign my paddle,
Will yuh, please?
Not so hard now . .
Oh, good Je . . e . . s."

"Happily we gather
here,
Fraternity so dear,
so dear . ."

By the waters of Virginia
Lived a lovin' young canoer,
Stored his lady in his bark
And paddled out to woo her.

Skies above
Star-strewn,
Low saxes
Croon
A wistful
tune,
And a mellow
Moon
Sets far
Too soon
On love.

For 'tis youth
To youth
since
Time began,
Man to maid,
And maid to
man.

1 part hour
= about
1 class.

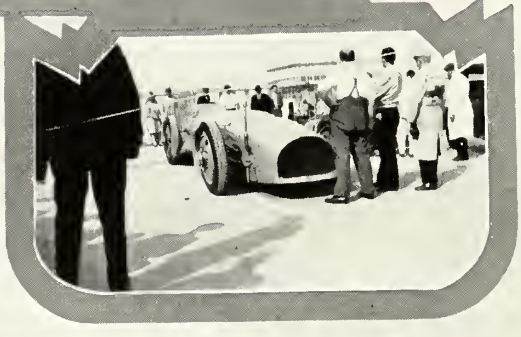
Add 1 feud
Twixt a prof
And a stude,

Plus 2 looks
At his books
Minus dates
Precipitates
A pass.

Time for study,
Time for play
That's the real
Rollins way.

Golf and tennis,
Volley ball,
Swimmin's fine
In the fall,

Spring'll take
You to the beach,
Try Daytona,
It's a peach.



No! this ain't
Th' lecture

Nor any stump
Speech to
Enlist 'em,

It's jus' one o'
Th' debators,
An' a squad o'
Beanerie
Waiters.

In lettered stone,
HE brings them here,
The names of men
That men hold dear.

To light youth on,
By memory's candle,
Where truth has set
A guiding sandal,

And passing by,
We carve HIS name
In Love's sacred
Walk of Fame.

Pages close behind us,
But others lie ahead,
Why then must we sorrow?
Come, let us go instead.

"With a song for Rollins
Still ringing clear,
Guide of our youth,
Oh Alma Mater dear."

COACH McDOWALL

Football

The Blue and Gold had the most successful season in several years. Under Coach McDowall the team produced a spirit that carried it through the season with one defeat.

Although the Tars started practising after most teams had started their schedule, the Rollins squad soon developed into a fast, hard hitting combination.

Georgia State and St. Pete, the first teams on the schedule, were no match for our squad.

Southern and Miami were slated to win, but the best they could do was to get draws.

The only defeat of the season was at the hands of Piedmont.

Undefeated!

A large group of experienced men appeared for freshman football. With good coaching and hard work-outs against the varsity this squad soon developed into an unusually strong frosh team.

The freshmen met their first opponents at Jacksonville when they played the strong F. M. A. team. This game pointed out the strength and weakness of the frosh team. After several more days of practice the rough spots were smoothed over.

By the time for the rast of the schedule, the Rats had developed into a fast working team that ran and passed its way through all opposition. The Southern team showed little strength against the Rollins team. In the St. Pete game the Rats got off to a slow start, but broke lose to score 40 points the second half.

With this fast squad available for varsity next year Rollins should have the strongest team in years.

Bottom—Fitzgerald, G. Robinson, Chakales, Miller, Loomis.
Others not in picture: Dunlop, Thompson, T. Robinson, Stoddard, Morris.

Basketball

With the members of last year's freshman squad as the backbone of the team, Coach McDowall entered Rollins Tars on a 16 game schedule. Rollins was again handicapped by lack of reserves, but this was offset by speed and ability.

After a few practice games with independent teams Rollins swung into her intercollegiate schedule by splitting a two game series with the University of Miami. In the return series with the Miami five our squad made a clean sweep, giving Rollins three victories over the Tar's ancient rivals.

The most exciting game of the season was the first tilt with Southern. In the last few minutes of play the lead changed from first one team to the other.

Taking it as a whole the season was a success. The Rollins squad won seven and lost nine games.

Basketball

The Freshmen had one of the best first-year teams in the history of the college. They won nine and lost four games, scoring 358 to 289 points for the opponents. Five straight victories were marked up to their credit before they lost their first game to Jackson Sport Shop of Orlando in a return game. The strong University of Florida Freshman team won over the Rollins by a few points in a last minute spurt.

Miller, Chakales and Morris, a trio from Asheville, N. C.; George Rogers, of Dover, N. H.; Horwitz, of Peekskill, N. Y.; Ben Cook, of Winter Park, and Sufflebeam, of Muskegon, Mich., were the most promising players and will battle for positions on the varsity next year. With the addition of these men to the varsity Coach McDowall will have plenty of material with which to work next year.

FRESHMAN

Coach Goodel, Gow, McDowall, Morris, Washington, Thompson, Rogers, Fitzgerald, Lawton, Chakales, Nightingale, manager.
Stufflebeam, Miller, Tourtellotte, Hodgkinson, Dawson, Horowitz, Cook

Crew

Katzman, Wilkinson, Test, Ehart, Barrows, Butler, Barber,
Smith, Brown, Cudmore, Durkee

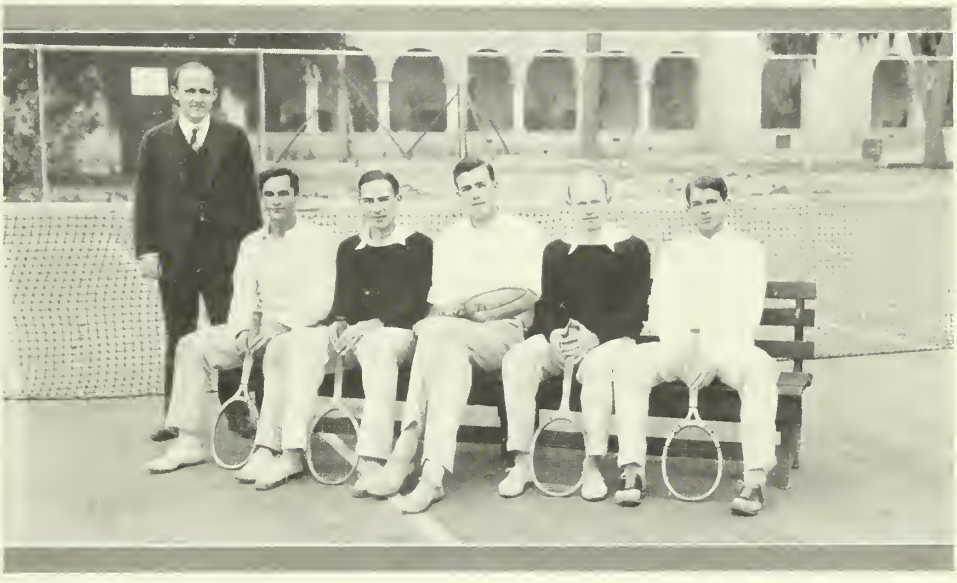
Crew has attracted new interest under Coach Oldham this year. Two new four oar shells were added to the equipment, and indications point toward a real crew in a few years.

On March 21 a race was held between the Rollins eight and the crew from Asheville. The Asheville crew, who have rowed together for several seasons and who hold a win over the Cornell freshmen, won by two lengths.

The men who rowed in this race are: Durkee, bow; Butler, Katzman, Jordan, Williams, Wilkinson, Barrows, Barber, stroke; Ehart, cox.

The following men were awarded varsity letters: Durkee, captain; Barrows, Wilkinson, Barber, Butler, Ehart, Jordan, Cudmore, Williams, Katzman.

Tennis



Coach Forbes, Deming, Stephens, Williams, Sweet, Edmunds

Tennis is of major interest at Rollins and it will be recognized as a major sport here in the near future. In the past year two of the finest clay courts in the state were added to the college equipment. One of these courts is at the disposal of the tennis team at all times.

Competition was keen from the start for positions on the squad. The present members of the tennis team are: Williams, Stephens, T. Morris, Graham, and Edmonds.

The inter-collegiate schedule started off with two wins over the University of Miami. Southern and the University of Florida have won one match each from Rollins. Other matches are scheduled with Southern, Florida, New Smyrna, and Orlando.

Golf

Dann, Newton, Miller, Jenkins, James

This is the first year that Rollins has entered a golf team in an intercollegiate schedule. At the time the Tomokan goes to press the schedule has hardly begun. To date the Rollins clubsters have won and lost one in a series with Miami. In the last game Miami won by a small margin.

In the match with St. Petersburg, Rollins won every event.

The schedule includes the University of Florida, Southern, Miami, St. Petersburg, and a number of golf clubs throughout the state.

Swimming

Under the direction of Fleet Peeples, the Rollins swimming team had a meet with St. Petersburg College. The St. Petersburg Trojans won over the Rollins team 36 to 28. Other meets are to be held with Southern, Miami, and the University of Florida. Members of the swimming team are Loomis, Ringer, Turner, Carrison, Fuchs, D. Fisher, and D. Ward.

Each year Fleet Peeples has charge of the Florida High School Water Meet. This is one of the largest events of the year held under the auspices of Rollins College.

Coaching Staff

Jack McDowall, *head coach.* This is McDowall's second year at Rollins. Under his direction Rollins athletic teams have had the greatest success in years.

"Buddy" Goodell, *assistant coach.* Goodell, former Rollins student, had charge of freshman and intramural athletics.

"Bill" Oldham, *coach of crew.* Oldham comes from Oxford University where he was a member of the Oxford crew.

"Mac" Forbes, *tennis coach.* Since Forbes has been coach of the tennis team, Rollins has won the Intercollegiate Tennis Tournament once and was a serious contender this year.

"Fleet" Peeples, *instructor of acquatics.* Fleet has his hands full teaching swimming to the Rollins Co-eds as well as the men students.

Intramural

After football and basketball seasons were over, Coaches McDowall and Goodell started a heavy intramural program for Rollins students. As the major teams are limited to a small per cent of the student body the intramural season received a big welcome. Intense rivalry was shown between the various organizations and dormitories.

Volley ball was the first intramural sport of the season. The Theta Kappa Nu team won the first half of the schedule. In the second half Chase Hall defeated the Theta team to tie for first place. Chase Hall won three out of five games in the play-off to win the volley ball championship of the college.

Every afternoon, rain or shine, Rollins students could be found knocking a little white ball over the Aloma golf course in preparation for the gof tournament. Fred Newton won over a large field of players.

The most popular intramural sport of this year is diamond ball. The championship will not be decided until several weeks after the Tomokan goes to press. There is strong competition among the teams entered in this sport. So far the Kappa Alpha team is undefeated. This team should win the championship. The Chase Hall, Theta Kappa Nu, and All Star teams are not far behind in the race.

Many students are taking tennis for physical education credit, and a tournament is scheduled to take place before the end of the term. As members of the tennis team are not allowed to enter this tournament, the competition will be close to decide the doubles and singles championship of the college.

The Women's Athletic Association of Rollins endeavors to promote and foster the highest spirit of sportsmanship and cooperation. Since its founding in 1928 it has grown to be the largest and strongest women's organization on the campus.

In addition to having charge of women's athletics, it sponsors in the fall a Kid Party, in the winter a Treasure Hunt, and Dance Recital, and in the spring a formal banquet for its members.

EVENS

Basketball, the major fall sport, has much keen rivalry in the two-division court. The freshmen were class champions, while the Odd team won the school championship for the second time.

Members of the Odd-Even teams receive gold basketballs.

Separate classes are given for less experienced players in this sport.

The Student Association is the organized student body of Rollins College. Its purpose is to make possible the many features of college life which would otherwise be impossible. Every regularly enrolled student of Rollins pays a Student Association Fee. This money finances all the campus activities such as Men's and Women's Athletics, the college publications, which are the SANDSPUR, the FLAMINGO and the TOMOKAN; the Y.M.C.A. and the Y.W.C.A., the Men's and Women's Glee Clubs and the Debating group. All college elections are supervised by the Association and it elects the student members to the Social Committee and to the Student-Faculty Committee. Thus it nominally controls all these activities which are so vital to the entire student body.

In spite of Institutes, Conferences, Parleys, Receptions, and even, now and then, a little studying, the TOMOKAN is off the press. There have been times, of course, when we doubted its ever emerging. Things go wrong—frequently. Publishing a book is no snap—but it's worth every effort. We hope you will enjoy the memories of your "Blue and Gold Days."

INTERNATIONAL

Foreign Exchange Students

President Holt, who became famous for his work in behalf of world peace long before he became a college president, believes that peace will come to the nations of the earth only when they politically organize themselves into a league to enthrone law and justice and when they understand each other by living and working together in daily intercourse. With this idea in view, he arranged with the Institute of International Education of New York to send six foreign exchange students to Rollins College in 1928.

These students were carefully selected for their scholarship, character, and general qualifications for entering an American college. They were a charming group, and their various accomplishments, musical and otherwise, made them popular from the outset. The first year of the experiment was such a decided success that the following year, 1929, President Holt arranged for ten foreign exchange students, and in 1930, for sixteen.

Each year the relation between the foreign students and those American born has become closer. The townspeople of Winter Park and Orlando frequently entertain the members of the foreign group in their homes, and they are shown much social attention. Each year these young "ambassadors of peace" return to their home lands with love for America and Rollins College warm in their hearts. Ling Nyi Vee, the beautiful Chinese student '28, upon returning to her home in Soochow, wrote to President Holt in these words:

> *"In my heart my memory of Rollins is always beautiful, warm, and sunny, like the flame vine mounting a tall poplar—mounting higher and ever higher. So will my love for Rollins ever be."*

The Y. W. C. A. joins the Y. M. C. A. in welcoming the new students and gives the annual reception and dance for them in the fall of the year. It cooperates with W. A. A. in giving the Co-ed Ball, the fancy dress dance "for co-eds only." This year twenty-five dollars was sent to the Florida Orphanage at Jacksonville by the Y. W. C. A. An additional project was the Second-Hand Book Shop to help students obtain books at lower prices. The Y. W. C. A. has also sponsored each sorority's joining the Needlework Guild of America, a national charity organization distributing new garments to the local poor.

Mr. Pierce
MacCarthy

Rollins experienced its most successful debating season in its history during the 1931 campaign. Prof. Pierce and his band of prospective soap-box orators took part in twenty-five debates during the year, eight of which were freshman debates and the other eighteen were varsity. Rollins adopted the policy for the first time this year of taking on all comers in decision debates, and met in a knock-down-and-drag-out decision the following big-time opponents: Purdue University, champion of the mid-west; Furman university, champion of North Carolina; and Pennsylvania State University, one of the leading teams of the East.

The Rollins record given below speaks for itself : twenty-five debates, thirteen victories, one defeat, and eleven non-decisions. Seven men have participated in debates this year for Rollins with Maurice Dreicer, the freshman sensation, leading the league with eighteen, the rest participating as follows: Jack Brown, eight; Erasmo MacCarthy, five; Don Fisher, three; Harold Hall, two. Lloyd Towle, a veteran of sixteen debates last year, besides acting as manager and assistant coach of the team, participated in nine debates.

Professor Harry R. Pierce finished his second year as director of Rollins debating, and in his two years here his teams have suffered only two defeats, a record probably unmatched in the South.

Rollins scored official victories over Bowling Green State College of Kentucky, Southern college, Miami University, St. Petersberg College, Purdue university, and lost their one debate to Penn State. The freshman teams won twice from both Miami and Southern, and had non-decisions with four high schools throughout the state.

Every man on the squad will be back next year.

Mr. Frank P. Walker, jr.,
Editor 1931 Tomokan,
Rollins College,
Winter Park, Florida

Dear Mr. Walker:

We were pleased with the high average of pretty girls in the group of twelve photographs that you submitted to us.

It is a difficult task to select six girls from such an attractive group, however, in our humble opinion, we would choose the following six:-

Miss Lucille Eleanor LeRoy
Miss Sara Bell
Miss Nancy Jane McNair
Miss Ethel Miller
Miss Katherine Brothers
Miss Nancy Jane Hargis

With best wishes for the success of the 1931 Tomokan, we are,

Sincerely yours,

Bernette Aikin

STEIN BETRAYS SWEETHEART

Harry Stein (above), accused of betraying his sweetheart to carry on an affair with the blonde beauties Gertrude and Fanny.

Harry Stein Confesses

Harry Stein, former House of David leader and prominent Hollins College student, has confessed. This daring episode at last uncovers a chain of rumors that have pervaded the campus for three months. A love nest was the scene of many meetings under tht golden moon and waving palms.

Stein is in a state of nervous collapse as a result of this expose. Since his arrest, the former House of David leader has refused to see any visitors and keeps mumbling to himself how his life has been wrecked. However, Stein declares that this new publicity is no worse than the damage done him by the swarms of mosquitoes at the love nest.

Harry and His Sweetheart.

MY TRUE CONFESSION

By Harry Stein

I want to tell the world that my heart has been broken for the past two years. I loved Mary but she was slowly driving me crazy by filing her finger nails so loud.

I tried to overlook the insults I received and the humiliations that were hurled at me. At last I found Gertrude and Fanny and our trysts became the bright spots of my life.

It is all over now, and I only have "me chi-ld" to live for. I hope other Hollins men will benefit by my horrible past. Harry Stein.

Jilted Sweethearts Bare Stein's Perfidy

Special copyright story to Sad News

Vivian and I have been on the trail of Harry for months.

We could not win the affection of this handsome brute, so there was nothing to live for but revenge.

We followed him night and day, then finally the great moment came. We saw Harry sneaking down thru the woods, our hearts beat with excitement and finally there before our very eyes we came upon his love nest and these two other women.

Under the exotic palms kissed by orange scented breezes this wrecker of hearts walked into the trap we had set for him.

The Love Nest

We want to say that when Harry appears on the scene, there is certainly a palpitation of hearts. Harry has a way about him that few can resist; that nice long beard and curly black hair make him a woman's man.

His visits make us so happy and contented.

The Sufferer.

Football Hero Reveals Prowess

Oswalt Gnat.

Copyright Story to Sad News

"I have often been asked just what was the secret of my success," said Oswalt Gnat, pastmaster of the gridiron.

"The manly art of footballing was born in me; it's an inherited accomplishment that just naturally makes me a great player. I know that everyone can't be a star player; that's why I feel sorry for the other boys that try so hard. All my life I have excelled in everything I did, so I guess that I can't help but be good."

Night Club Queen Arrested

Celestina McSmith Says "I'll Smack His Sassy Face."

Found Innocent

As night club patrons straggled from their favorite whoopee places, Hollins policemen swooped down on the Green Garden and its environs.

From restaurants, speakeasies and other class rooms of the Magdalenes of Mazda Lane they dragged frightened and screaming young maidens to the jug.

Most prominent among these was Celestina McSmith, pretty redheaded queen of the May. Celestina was inspected by prominent criminologists and professors but was found to be innocent of any moral turpitude.

Upon being released from custody of the police, the demure and gentle Celestina said, "The next time one of these fresh guys gets sassy with me, I'm going to smack him on the beezer."

Why Students of Rollins Hold their Petting Parties Off the Campus

Kappa Pledge

Walter Thaw, the Editor.

Students now know the intimate details of how the Kappas were finally instal'ed at Hollins.

After lending all editorial influence that he could bring, Walter Thaw finally put over the greatest coup in the history of Rollins.

Now the future holds in store our prominent editor, surrounded by scores of pretty little K. K. G's, gurgling whispers of nothingments that only a true editor could enjoy.

The sensational revelation that Andy Schmidt has been conducting a "love auction" has just been revealed. Andy's participation in this scandal ring was brought to light when the demure and decolette Lotta Stuph accused Andy of two-timing her. Lotta says that Andy promised to get her a black-haired sweetheart, but when the slew-eyed Andy brought the prospective lover to Lotta that he turned out to be nothing but an enormous failure.

BEAUTY QUEEN ELECTED

BETWEEN GULPS JUDGE FINALLY DECIDES WINNER OF CONTEST

Miss Mitzi Curry, Apopka, Florida | Miss Dorothy Bryan, Winter Park, Florida | Miss Billie Mosier, Lakewood, Ohio

MITZIE CURRY, THE WINNER, SAYS:

"This is the happiest moment of my life," said Mitzie Curry. "To think that little me has been chosen as the most beautiful girl at Hollins. I just knew that putting my hair up in curlers every night would do it."

"I will never enter another contest without a corset," says Miss Towle.

Other famous beauties from all over the campus swell the number of those placing in the contest to six.

The Judge.

Debunking Hollins is De Bunk, says Rolt

Dr. Rolt, when interviewed by the Sad News reporter, said: "Everybody has the wrong idea about Hollins but me. The conference plan is a simple matter; we confer diplomas on anyone who has the price and there is a special reduction on Fridays.

"We have limited the number of students to 21,978 and will positively not take any in excess of that number. We have only 21 instructors and we can't increase that number."

Avoid Kissing Advises Madame Queen

Madame Queen

(Madame Queen, world famous Seer and authority on Love's Mystic Problems, invites your correspondence. Answers not guaranteed by SAD NEWS.)

Dear Madame Queen: Until this year I have been able to get a pin from each fraternity, but lately new ones have been formed so rapidly that I have lost out. What can I do? L. ReLoy.

Answer: Move to Southern.

Dear Madame Queen: I have a new Packard roadster, spend lots of money, use Lifebuoy, Listerine and Maybreath, and still I'm not popular. What is your diagnosis of my case? Will Tilliams.

Answer: It's hopeless.
